WASHINGTON, D.C. 20210**

JUN 25 2020

Michael E. Horowitz
Acting Chair
Pandemic Response Accountability Committee
950 Pennsylvania Avenue, NW
Washington, D.C. 20530-0001

Dear Acting Chair Horowitz:

Section 15011 of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116-136, requires the Department to submit to the Pandemic Response Accountability Committee a plan for how covered funds will be used.

An overview of the Department's planned use of funds is enclosed. For a number of the unemployment insurance provisions enacted in the CARES Act, Congress appropriated such sums as necessary. The Department's plan reflects the latest apportioned level for these programs. The estimates and subsequent apportionments may be updated.

Thank you for your partnership with the Department of Labor.

Sincerely,

PATRICK PIZZELLA

Enclosure
