

**Environmental Protection Agency (EPA) CARES Act Funding Plan
by EPA National Program and Statutory Line Item**

The CARES Act provides EPA with \$7.23 million to prevent, prepare for, and respond to COVID-19, domestically or internationally. The table below provides a summary of EPA CARES Act funding by EPA National Program, Purpose, Intended Use, EPA Appropriation, Type of Spending, and Appropriated Dollars in thousands.

EPA National Program	Purpose (from Statute)	Intended Use	Fund / Appropriation	Type of Spending (1)	Appropriated Dollars in thousands
Office of Mission Support (OMS)	For necessary expenses for cleaning and disinfecting equipment or facilities of, or for use by, the Environmental Protection Agency, and ...	The cleaning and disinfecting of EPA facilities.	Environmental Programs and Management (EPM)	Contracts and Expenses	\$2,230
OMS	...operational continuity of Environmental Protection Agency programs and related activities.	Acquisition of needed VPN licenses to support extended telework at the Agency.	EPM	Acquisitions through Working Capital Fund	\$180
OMS	For necessary expenses for cleaning and disinfecting equipment or facilities.	The cleaning and disinfecting of EPA facilities.	Buildings and Facilities (B&F)	Contracts and Expenses	\$300
OMS	For necessary expenses for cleaning and disinfecting equipment or facilities.	The cleaning and disinfecting of EPA facilities.	Science & Technology (S&T)	Contracts and Expenses	\$750
OMS	For necessary expenses for cleaning and disinfecting equipment or facilities.	The cleaning and disinfecting of EPA facilities.	Superfund (SF)	Contracts and Expenses	\$770
Office of Research and Development (ORD)	To fund research on methods to reduce the risks from environmental transmission of coronavirus via contaminated surfaces or materials.	Research on the efficacy of disinfectant products to control SARS CoV-2 to amend and/or improve agency guidance for manufacturers seeking to add a coronavirus claim to their registered pesticide product. Expanding ORD's technical expertise to work with human coronavirus supports ongoing efforts by federal agencies to combat SARS CoV-2 and to mitigate the risk of infection.	S&T	Contract	\$1,500
Office of Chemical Safety and Pollution Prevention (OCSPP)	Expediting registration and other actions related to pesticides to address coronavirus.	Further accelerate and expand OCSPP's expedited review to include the review and approval of additional disinfectant products that can be utilized in the COVID-19 response effort.	EPM	Personnel, Compensation and Benefits (Payroll)	\$1,500
EPA Total CARES Act Appropriation					\$7,230
"Covered Funds" Subtotal					\$5,730
Subtotals by EPA National Program		Office of Mission Support (OMS)			\$4,230
		Office of Research and Development (ORD)			\$1,500
		Office of Chemical Safety and Pollution Prevention (OCSPP)			\$1,500
Subtotals by EPA Fund / Appropriation		Environmental Programs and Management (EPM)			\$3,910
		Buildings and Facilities (B&F)			\$300
		Science & Technology (S&T)			\$2,250
		Superfund (SF)			\$770

1) Covered Funds as defined in the CARES Act - "covered funds" mean any funds, including loans, that are made available in any form to any non-Federal entity. All of EPA's line items could be defined as "covered funds", except for the \$1.5 million for OCSPP payroll.

2) None of EPA's CARES Act funding were for grants or loans.
